Stokesia laevis delta 12 fatty acid epoxygenase mRNA, complete cds.
AY462108
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       Stokesia laevis

Stokesia laevis

Bukaryota, Viridiplantae; Streptophyta; Embryophyta; Tracheophyta;
Spermatophyta; Magnoliophyta; eudicotyledons; core eudicotyledons;
asterida; campanulida; Asterales; Asteraceae; Cichorioideae;
Vernonieae; Stokesia.

1 (bases i to 1406)

Hatanaka, T. and Hildebrand, D.F.

Expression of a Stokesia laevis Epoxygenase Gene
Unpublished.
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           2 (bases 1 to 1406)

No. is the number of results predicted by chance to have a score greater than or equal to the score of the result being printed, and is derived by analysis of the total score distribution.
